BOARD

Review and discussion – church picnic went well. Outdoor worship doesn't always work out. When it does, it can be good publicity. Convergence Report – a good number of people stayed for the presentation, which was informative with many positive points.

Worship – For Advent we are working on an Advent Tapestry Project. Sharon Ware will give a brief explanation on Sunday, November 16. We will work on it and finish it by December 21. It will then be hung in the sanctuary.

Preaching coverage – September 14: Helen Crandall; October 12 – Judy Gatewood-Keim; November 2 – Maggie Wallin

Confirmation – Starts September 28 with participation in the Crop Walk. A few sessions will be with the youth from Peace Lutheran.

REPORTS

Minister's Report – listed people with concerns.
