Our mission is to embrace people of every age and stage of life and help them become the most loving version of themselves possible.

The Pastor's Column

Busy Times

Unbelievably, Lent is right around the corner. We begin a new Lenten series with an Ash Wednesday service, February 18 at 6pm. It is a shorter service, and you will be invited to receive ashes, if you wish. I hope you come.

Meanwhile, we are preparing for the next phase of our journey with Convergence, seeking to create a strategy for the near future for our church. There is a training session (first of two) that will be led by Cameron Trimble, Executive Director of Convergence. It will be on Zoom, and we will get you the link as soon as possible, if you are unable to attend in person or prefer to be at home. The rest of us will gather in fellowship hall on March 1 at

11:30 am for that training session (it should last no longer than 1.5 hours).

Then we will get into our series, Tell Me Something Good, produced by our friends at Sanctified Arts. The authors remind us that, “following Jesus leads to a richer, more expansive life, but it is not necessarily comfortable. The good news should bring us back to our roots, back to what grounds us: loving our neighbor, caring for the vulnerable, pursuing justice and mercy, and resting on God’s unending grace.”

I hope this will be another moving series for our community. The Reaching In team will let you know what our plans are for the upcoming Holy Week, and we will arrive at Easter on April 5.

In the meantime, we will continue to have food and fellowship, Bible studies and choir, confirmation, and community. In everything we do, may we do what is ours to do and pleasing in God’s sight. May we continue to grow spiritually and holistically through our ministries together.

Thank you for all you do and for who you are as God’s people.

Blessings,

Pastor Greg

Committee Minutes are available and attached.

Lent

Lent began as a time for Christian converts to fast, pray, learn, and prepare for their Easter baptism and echoed Jesus’ 40 days of fasting and temptation. Since Nicaea, the 40 days begin Ash Wednesday and conclude Maundy Thursday, excluding Sundays. The new Christians studied the tenets central to Jesus’ life and ministry: radical welcome, neighborly love, caring for others, feeding the hungry, nonviolent responses to injustice. Jesus’ teachings are the good news of liberation, love, mercy, and grace.

At Lent, we remember that the good news really is good news. It is joyful, it expands, and it surrounds us. It meets our needs. It makes us laugh with the relief of God’s mercy. The good news lives within us. We hope the good news will inspire us all to positive action in a world desperate for it.
